Why Order a Stone

By purchasing a paver for permanent placement in Patricia Park, you will be leaving a legacy in three ways: (1) leaving a reminder of your service or that of another in the Regimental Family; (2) making a living legacy of support to our veterans, families and serving soldiers through the work of the PPCLI Foundation; and (3) supporting the sacrifice made by those who have served Canada so well, and who have suffered from the results of war.

What People Say

"The PPCLI Legacy Stones was an amazing opportunity to have my Patricia brothers and I to be remembered as one for a lifetime. The 11 stones we laid shows the growth and great memories we shared together within the PPCLI. To have our names in stone at Patricia Park and to have the opportunity to bring our children and family there to show them the bond of the Patricia's is unlike any other." **Sergeant Brad Lowes.**

"Thanks, this is a great remembrance for our soldiers. It is such a wonderful thing! We live in Griesbach, my dad was at Ortona, and so our family is very proud that we can purchase a legacy stone with his name." **Dolores Rodrigues.**

"When people see stones that have been requested in honour of or in memory of those who have passed, it will encourage them to think about their own mates who have passed, and perhaps to request one for friends of theirs, or get a group together to place one or more." **Brian Forbes Colgate.**

"I am pleased to say that I am very impressed by the Park, and was very moved, especially to see the stone I had placed for my best friend and even more moved to see the stone for Vaughn Ingram who was a very close friend when we were young privates." **James Allen.**
