Dear Mr. Foster,

On behalf on everyone at Outward Bound Canada, we would like to acknowledge receipt of, and express our deep appreciation for, the \$10,000 grant received from the Princess Patricia Canadian Light Infantry (PPCLI) Foundation as part of the \$25,000 grant in partnership with The Calgary Health Trust.

As per the grant proposal and agreement, the funds will be used in support of the Outward Bound Canada Veterans' Program run out of our Canmore, Alberta location.

We hope you and your fellow directors will enjoy reviewing the enclosed report illustrating the impact of your tremendous support, and find the comments from the participants as a testament to the importance of your grant.

We look forward to continue working with the PPCLI in 2017 and beyond in order to provide more Canadian Veterans the experience to participate in Outward Bound's resiliency building programs. Thank you so much.

Sincerely,
