

ORDER A LEGACY STONE

For more than a century, soldiers of Princess Patricia's Canadian Light Infantry (PPCLI) have served Canada and Canadians. Today, the Patricia's represent the largest amount of Canada's soldiers on the ground both inside and outside of Canada. The Patricia's have always been amongst the first in the field which has resulted in the regiment shouldering some of the heaviest of casualties. In honouring their sacrifices and tragedies, to their celebrated victories, we ask that you help carry on the legacy by purchasing a Legacy Stone at Princess Patricia Park.

TESTIMONIALS

"The PPCLI Legacy Stones was an amazing opportunity to have my Patricia brothers and I to be remembered as one for a lifetime. The 11 stones we laid shows the growth and great memories we shared together within the PPCLI. To have our names in stone at Patricia Park and to have the opportunity to bring our children and family there to show them the bond of the Patricia's is unlike any other."

Sergeant Brad Lowes.

"I am pleased to say that I am very impressed by the Park, and was very moved, especially to see the stone I had placed for my best friend and even more moved to see the stone for Vaughn Ingram who was a very close friend when we were young privates."

James Allen.

"Since losing our son Zachery McCormack in Afghanistan on the last day of 2009, our family and friends have worked together to keep his memory alive. His Legacy Stone at the Patricia Park Memorial is an important part of this process. We are privileged that Zach will be remembered while in the company of so many of his comrades also honoured at this Memorial."
